Senior Project

Student _____PROJECT _____

The purpose of your research is to give your project more depth so you can complete it with expertise.

Complete your research before your final product is finished or while it's being completed.

Your detailed, Annotated Bibliography is due at the end of the 1st semester, Senior year.

In conducting your research:

1st decide the essential question, problem or challenge you're trying to answer or resolve through your research.

2nd review a variety of resources, including

- Internet
- Hard copy reference
- Magazine
- Video/film
- Interview with expert

3rd create a detailed **Annotated Bibliography*** describing **three** or more of your resources. At least one source should be a **Primary Source.***

Creating the Annotated Bibliography

1. Take notes as you read and write down all the information concerning your resource.
2. Proof read and spell check everything.
3. Type, double space and alphabetize your resources.

**** See Appendix or website for examples and a definition of an Annotated Bibliography and Primary Source.**
